

Office Memorandum • UNITED STATES GOVERNMENT

TO : Chief, Intelligence School

DATE: 18 October 1961

FROM : Chief, Orientation Faculty

SUBJECT: Weekly Activities Report #37, 11 - 17 October 1961

DIA DECLASSIFICATION/RELEASE INSTRUCTIONS ON FILE

1. Intelligence Review

Intelligence Review #3 ended on 13 October with oral presentations by each of three seminar groups. We found student participation and response considerably more active during the second week, but still less than with previous runnings. In their critiques, students commented favorably on the organization and administration of the program, and the frankness of the speakers. A course report will be submitted.

2. Intelligence Orientation

The course schedule is now being prepared for Intelligence Orientation #48 which begins on 3 November. No significant changes in the program are anticipated.

3. Exhibits

a. Lt. General Carroll, Director, DIA, has accepted an invitation to attend the Intelligence Products Exhibit on Wednesday, 8 November. He will be accompanied by several of his top aides.

b. As soon as feasible, the Orientation Faculty plans to visit the new building with [REDACTED] to determine what modifications need to be made to the present exhibit materials in terms of available space in the new building.

4. Special Briefing

25X1A6a Mr. [REDACTED] presented the CIA Introduction to 51 new Agency employees in 117 Central Building on 16 October.
